Jewish Voice for Peace endorses the call from Palestinian civil society for Boycott, Divestment, and Sanctions (BDS) as part of our work for freedom, justice and equality for all people. We believe that the time-honored, non-violent tools proposed by the BDS call provide powerful opportunities to make that vision real. We join with communities of conscience around the world in supporting Palestinians, who call for BDS until the Israeli government:

- Ends its occupation and colonization of all Arab lands occupied in June 1967 and dismantles the Wall
- Recognizes the fundamental rights of the Arab-Palestinian citizens of Israel to full equality
- Respects, protects and promotes the rights of Palestinian refugees to return to their homes and properties as stipulated in UN Resolution 194
