Received following complaint today :

"Zionist bands violated the truce forced by the Security Council on the Arab States. These bands attacked on the 25th July Arab villages - Itjiti-im and Jaba and Ain Gazel - and shelled these villages violently and continuously, treating brutally the Arab population, who were subjected to savage treatment of the cruellest kind known to humanity. Masses were later forced to evacuate their homes in terrible conditions.

We strongly protest against these deeds and draw your attention to the necessity of putting an end to these atrocities for the sake of maintaining peace and security.

Signed Twefik Abilhuda, Foreign Minister of Trans-Jordan.
